May 6, 2011

Hello Fellow Race Fans –

As your 2011 TC Race Chairman, I am very pleased with the TC Race Committee progress toward presenting the Double Dipper Grand Prix on Memorial Day weekend. We are finalizing all arrangements to feature our first 2-race, 3-day weekend format at ORP with TC Driver Training on Friday prior to the event.

We have arranged transportation from Portland, lodging, meals and beverages for our Volunteers who dedicate time and expertise to making this a successful event. Please review the list of TC Race Committee members attached with this document and also on our web site at www.teamcontinental.com. If you are interested in assisting any of these committee members, please feel free to contact them directly or contact me at 971-207-5147.

The race entry costs for our May event is priced competitively with other ICSCC race events and is the first multiple-race weekend on the ICSCC 2011 schedule. Several other clubs are recognizing the tremendous advantage for cost savings with multiple races on a single weekend. I anticipate the substantial track time for this event combined with a strong pricing structure and exceptional venue will bring tremendous support from ICSCC and other clubs. We look forward to your enthusiastic support !

On Sunday May 29th, TC will host an all participant social at the Grass Valley Pavilion. Since this follows the conclusion of the first race of the weekend, we will plan to present qualifying and race lap record awards and trophies at the Sunday Social. Our TC Cooks are planning a delicious buffet style meal and we hope you can join the party. We will also feature beer/wine no host bar with karaoke entertainment – Come down and have fun !

As we look toward the future of TC bringing ICSCC racing to the Pacific Northwest, I would like to remind each of you of the sponsorship packages available. If you would like to show support by sponsoring equipment, supplies or have your company name associated with a specific event, there are opportunities for your participation. We look forward to continued growth of Team Continental and the ICSCC racing community !

THANKS IN ADVANCE FOR YOUR SUPPORT !
