RE: ORP facility enhancements - SURVEY

February 3, 2011

Hello Fellow Race Fans –

As your TC Race Chairman, I am compiling requests from TC Race Committee members pertaining to facility enhancements we recommend for the ORP facility. This is an excellent opportunity to reaffirm our commitment to assist planning for future growth and development of our favorite club track !

It was suggested this list could be prioritized by the TC General Membership, so here is my request: Please take a few moments to complete this survey. Rank the following in order of highest to lowest priority, based on your observations and experience with ORP so far. This list is by no means complete – feel free to identify any other requests in the area provided.

- \_\_\_\_\_ Expand the available paved paddock space;
- \_\_\_\_\_ Permanent painted striping of the upper paved paddock;
- \_\_\_\_\_ Additional conveyor belt material along the lower paddock road to/from Pregrid;
- \_\_\_\_\_ Speaker and mic available outside the ORP admin building for driver meetings;
- \_\_\_\_\_ Permanent landline-based communication systems;
- \_\_\_\_\_ Perimeter road for spectators, Safety response and worker access to corner stations;
- \_\_\_\_\_ Potable drinking water and power accessibility;
- \_\_\_\_\_ Flush toilet restrooms;
- \_\_\_\_\_ Worker camping/tent area;
- \_\_\_\_\_ Reinforce/stabilize scissor lift Starter tower;
- \_\_\_\_\_ Redesign corner stations to improve accessibility (stairs, limbo bar, etc);
- \_\_\_\_\_ Other (please specify) \_\_\_\_\_

Also, please indicate whether you are responding primarily as: \_\_\_\_\_ driver \_\_\_\_\_ worker

THANKS IN ADVANCE FOR YOUR SUPPORT !
