RE: TC Race Chair Status Report – February BOD

February 2, 2011

Hello Fellow Race Fans –

TC Race Committee – I am extremely grateful to all TC Race Committee members who have stepped forward to volunteer for this season. All positions critical to the smooth operations of our race events are now staffed. Our first meeting is scheduled for 7pm – Tuesday, February 22nd at Holman's Bar & Grill (28th & SE Burnside).

ICSCC RATS Meeting – This annual meeting is coming soon, scheduled to begin 9am – Saturday, February 26th at Peppertree in Auburn, WA. I will approach a subset of the TC Race Committee to coordinate our attendance.

May Event Schedule – A preliminary schedule for 2-race, 3-day format has been developed and will be presented through TC BOD to ICSCC Race Steward for approval.

Race Budget – I expect to receive and digest 2010 actuals very soon. This will be invaluable in establishing a realistic and comprehensive TC Race Committee budget for this year. Preliminary budgets for both race events have been developed and are available for review. At this time, near-term anticipated expenditures include ORP deposit for the May event, Worker lodging reservation and ICSCC supplies to be purchased at the RATS meeting.

Announcement/Supplemental Regulations – Preliminary entry fees, entry deadline and entry contact information has been developed and is available for review. Supplemental regulations have been updated and will be finalized for publication in the ICSCC memo. Race announcement for May event must be submitted to ICSCC Memo Editor by 3/30/11.

ORP Facility Improvements – A list of enhancements will be submitted to ORP Track Management for review. This proposed wish-list will be prioritized through the TC General Membership meeting in February. Our guidance will contribute to the future of ORP !

In addition to the aforementioned, I will present recommendations for long-term revenue planning, establishing an equipment fund, general fund contributions and other business.

THANKS IN ADVANCE FOR YOUR SUPPORT !
