RE: TC Race Chair Status Report

January 18, 2011

Hello Fellow Race Fans –

This report describes my recent actions & accomplishments as your TC Race Chair. I've tried to hit the accelerator quickly since accepting the Presidential appointment 2 weeks ago at the January TC BOD meeting. High priority objectives and their status are presented here:

TC Race Committee – Volunteers have been selected for most Specialties with the majority returning from the 2010 season. Open positions include Base Comm, Merchandise and Sponsorship coordinator. Suggestions for meeting day/location have been distributed.

May event schedule – 2 different schedule format options have been created with emphasis on providing 2 novice events over Saturday & Sunday. The proposed format features single qualifying and set of races on Monday. A proposed race announcement has been created.

Entry Fee comparisons – In 2010 both NWMS and SCCBC hosted double race events. I've reviewed entry fee rates with total track time to produce a document to analyze cost/minute summaries. Full Package Specials (3-day base) as well as 2nd entry costs are presented. This document also contains profit/loss analysis based on revenue forecast for entry counts.

Race Budget – A worksheet has been developed and populated with expenses from 2010, where available. 5 main categories for expenses and their sub-accounts have been identified: Facility fees, 3rd party fees, ICSCC fees, Driver-related costs & Worker-related costs. In order to provide a clear process for tracking race expenses, a proposed Purchase Requisition form and corresponding PR Log has been created.

Upcoming Events – ICSCC RATS Meeting scheduled for Sat, February 26th in Tacoma. I will approach applicable TC Race Committee members to plan our participation.

Upcoming Tasks – I am compiling requests from TC Race Committee members pertaining to facility enhancements recommended for ORP. These will be presented to ORP contact(s) for review and status/timeline projections.

THANK YOU IN ADVANCE FOR YOUR SUPPORT !
