President's Message

May 2011

Racing is underway. There were some TC members at Conference Race 1. Good to see you. Race 2 is in Seattle weekend of May 14. Then Race 3 and 4!!! TC's Double Race Weekend at ORP, May 27, 28, 29 and 30th.

Andy Robotom has the format for the Driver's School and Track Day. It is a new format for us and looks very exciting. He does need instructors and driving instructors. If you are thinking about doing this it would mean a lot if you would contact Andy, cell 971-226-7459 or email andy113@yahoo.com Help him by reaching out. A small way to say thank you for your efforts is you having two sessions of track time on Friday.

Bob Smethers and his Racing Committee are getting down to the fine tuning of details. He is having a Committee meeting Tuesday May 17, 6:30 pm at Holman's Bar & Grill. You are welcome to attend. Bob will have great details and info for us at the General meeting the next night Wednesday May 18th at Mars Meadows Chinese Restaurant.

I am encouraging all TC members to come out to ORP on our race weekend. You do not have to be racing, you do not have to stay the whole weekend, we just want all of us to be out there and participate in what the club is about!! Wear your TC hat or TC Jacket, I know you all have them now, or not. Just come and be part of the fun!

Remember, Race for Fun!!

Mitch

General Membership Meeting will be held the third Wednesday of the month at Mar's Meadows at 7:00pm.

TO: TC General Membership

May 6, 2011

Hello Fellow Race Fans –

As your 2011 TC Race Chairman, I am very pleased with the TC Race Committee progress toward presenting the Double Dipper Grand Prix on Memorial Day weekend. We are finalizing all arrangements to feature our first 2-race, 3-day weekend format at ORP with TC Driver Training on Friday prior to the event.

We have arranged transportation from Portland, lodging, meals and beverages for our Volunteers who dedicate time and expertise to making this a successful event. Please review the list of TC Race Committee members attached with this document and also on our web site at www.teamcontinental.com. If you are interested in assisting any of these committee members, please feel free to contact them directly or contact me at 971-207-5147.

The race entry costs for our May event is priced competitively with other ICSCC race events and is the first multiple-race weekend on the ICSCC 2011 schedule. Several other clubs are recognizing the tremendous advantage for cost savings with multiple races on a single weekend. I anticipate the substantial track time for this event combined with a strong pricing structure and exceptional venue will bring tremendous support from ICSCC and other clubs. We look forward to your enthusiastic support !

On Sunday May 29th, TC will host an all participant social at the Grass Valley Pavilion. Since this follows the conclusion of the first race of the weekend, we will plan to present qualifying and race lap record awards and trophies at the Sunday Social. Our TC Cooks are planning a delicious buffet style meal and we hope you can join the party. We will also feature beer/wine no host bar with karaoke entertainment – Come down and have fun !

As we look toward the future of TC bringing ICSCC racing to the Pacific Northwest, I would like to remind each of you of the sponsorship packages available. If you would like to show support by sponsoring equipment, supplies or have your company name associated with a specific event, there are opportunities for your participation. We look forward to continued growth of Team Continental and the ICSCC racing community !

THANKS IN ADVANCE FOR YOUR SUPPORT !
Bob Smethers, TC Race Chairman

This pleasant and delightfully decorated theme restaurant in historic downtown The Dalles, has an excellent bar, food that will stand up to any Italian fare in the state, and so-so espresso (but I am working on them). The desserts are very well done. The grilled pear and pecan salad is superb. They are only open to 9:00 P.M. on Sundays. Moderately expensive, but a nice treat on the way home from the races at O.R.P. (How else are you going to spend all that prize money)? Let me know what you think.
