Hey Club Members, Friends of Club Members and Race fans!

Team Continental is doing something proactive to encourage drivers new and old to attend our August Race. One of the many things Race Chair Bob Smethers has scheduled is a "Hare and Hound Race". If you have never seen one of these, they are always the most exciting races from a spectator point of view, largely because the winner is seldom determined until the last few seconds of the race.

The way it works is all cars are handicapped at the start by adjusting the release time so that the fastest car starts last (sometimes by more than a lap down). The slowest car starts first. Drivers establish a qualifying time in a previous race, practice or qualifying. The lead allowed to each car is calculated such that if every driver can run exactly his qualifying time for the duration of the race all cars would cross the finish line at the same time. To

discourage "sand bagging" any driver that runs a race a lap 3 seconds faster than their qualifying time is penalized. This is a race that rewards a very consistent driver rather than the fastest car.

I ran one of these events in Spokane a few years ago and had a blast driving the slowest car in the race. (I got badly spanked by 10 or 12 more consistent drivers, but with 15 seconds of not driving sideways I would have won)!

This format offers truly "spectatorable" racing, and that makes it **prize worthy!**

To that end, (and to give more people a reason to make the trip to O.R.P. for the weekend) Star Projects will be generating a prize fund and soliciting individual donations of \$100 to fund a \$1,000 minimum purse. If \$1,000 is good \$3,000 would be better. Larger contributions are welcomed and Team Continental will give Hare & Hound race naming rights to the top contributor.

If you or your business can donate to this prize fund it will help us draw more competitors to the weekend and help Team Continental meet the regular costs of the event. If we can generate local interest in "The Spectacle of Motor Racing" it only helps further our sport.

To contribute to this prize fund, or otherwise help with promoting this race weekend. Call or e-mail

### OLD BUSINESS:
