## President's Message

By Steve Leonard

Greetings fellow TCer's I hope this message finds you healthy and successfully gutting out 2020. If you've thrived, I'm ecstatic for you. If you've gotten through intact and know the last 40 days (as I write this) is under control, as in, LL, you lead by half a lap, car's running great, and checker flag's in view... well, I'm ecstatic for you as well. And if 2020 has been if not the, one of the toughest years of your life, I pray 2021 will be a healthy, happy time for you and the rest of us, too.

However, I'm not ready to concede anything as far as the TC presidency goes. Seeing no objection to my previous request to be TC prez for 2021, I am declaring that TC's 2021 president is I. All politics aside, I'll bet Trump would love to use this method of controlling elections. Simply don't have one.

I have asked almost every BOD member to serve 2021 in their same positions. By the time you read this I will have talked to every BOD member. Happily, everyone so far has agreed to serve. If any position becomes vacant we will ask the entire membership to volunteer or I'm sure someone like Jon Wilson will advise me of the actual rules in our bylaws and if necessary someone will actually read them and then, well, I don't know the rules so I don't know what happens next.

Interestingly BOD members I've spoken with all expressed regret they hadn't done much, which is my motivation as well. In reality all BOD and others responsible for conducting TC's business have done a great job. We've been well represented at the Contest Board, the bills are paid and we always know where TC is financially, the Tell Tale is published timely and somehow has content, I don't know how Tony does it. You may ask what does Steve do? Well I cancel things... TT events, meetings of all types, socials, contracts, etc, and unfortunately the 2021 TC Banquet and wonderful weekend at the Beach.

I'm optimistic that in a little over 4 months TC will be hosting a competition and education on-track event at ORP and it will be a fun, safe, fun and a fun and profitable, fun event.

Seriously all the best to everyone of you and have a wonderful Thanksgiving by yourself. Formerly incontinent now very Continental,  
Steve Leonard
