June 2021

Racer's Reunion at ORP announcement

Submitted by VP Bill Murray

The Racers Reunion.

Are any of you guys & gals interested in doing a vintage driver's event at O.R.P? Vintage cars (and even newer ones that will pass tech) would be welcome, but this would be more about people. I have a date reserved (September 25th) to do a track day and reunion. Let me know if there is any support for the idea....Drive, ride, tour, eat, hang out and enjoy the company of old friends / meet new ones, enjoy. Overnight camping is available. Club participation encouraged! **Let me know by June 20th** if this would be an event you would like to attend or help host so I can work out the details and make it happen.

How much will this cost?

I have not finalized the announcement, but I am thinking \$40 to cover the gate fee, a morning track tour, and lunch. If you are driving your car, the fee to run a track day will be around \$275. If there is a lot of participation, I could reduce that number, but I prefer to donate any profits to a local charity. The rental cars are \$500 per day if you want to reserve one for yourself. I am working up a shared car rate for those that would like to drive 5 laps for \$50. or take a ride with one of our instructors. Dinner runs around \$30. Camping is free. I think this would be a really fun time for everyone. Are you interested in attending? Let me know sooner rather than later.

Registration will be through Brenda at the O.R.P. track office: 541-333-2452 or questions call Bill 503-358-2617.
