

TEAM CONTINENTAL

THE TELL TALE

DECEMBER 1983

Seasons Greetings TCers,

Now that the racing season is over its time to get down to some Heavy-Duty partying. As announced at the last meeting Eric Anderson has invited the club to his mountain highway for the annual beer-food fest / slumber party. This event is scheduled for Saturday Dec. 10 so its time to start shopping for those outrageous gag gifts.

Some important decisions were made at the last meeting. It was decided, by vote, to establish the third wednesday of each month to be the permanent meeting date. This should help eliminate confusion during the racing season and provide greater flexibility in picking a meeting location. The annual dues renewal date has been changed from Sept. 30 to Oct. 30 to cover the racing season completely.

More good news from our treasurer. The successful October driving school has pushed the treasury balance to over \$3000. To help compensate the club was informed by Chris that we need to purchase additional club jackets to renew our supply. Talk to Chris if you have any recommendations for style changes.

Bad news from the banquet chairman and asst. editor. (Jennifer should now be in Tsukuba, Japan looking for next years ride) The banquet room rates published in the last newsletter are in error due to my failure to read the fine print. Weekends are charged at the summer rate and all rooms are subject to the 5% room tax. This means: A rooms = \$54.60 B rooms = \$50.40 C rooms = \$54.60 D rooms = \$42.00 Dinners = still \$12.50. See me at the christmas party or give me a call for changes/reservations. The prime rib and salmon are tied for the dinner choice so indicate your preference when you send your check.
