President's Message

As I said last month, I purchased a 1964 Corvette vintage racer in April. I am currently working on getting it prepared for the Rose Cup races (July 11, 12). I've got a seat installed that I fit into pretty well. New shifter, new front brake calipers and pads, some other miscellaneous things. I think it should be ready to go for Rose Cups.

With the acquisition of this new racer, I now want to sell the 1993 Firebird American Sedan (pictured right) that I built and started racing in 2008. It's a nationally competitive car, and is the ICSCC track record holder at Pacific Raceways and The Ridge. It has a brand new engine built over the winter of 2025/2026 with only one race weekend on it. It's a 350ci engine built around a Dart SHP block, a nice Callies crank, SCCA legal aluminum heads. Transmission is a Tremec TKO 500, and it will come with 3 sets of tires and wheels, 2 dry sets, and set of wets. Has a great full float-er 9" ford rear end, with two center sections, 3.50 installed, 3.90 spare. Lot's of other very nice parts on this car, and it has been very reliable. Great car for either SCCA/ICSCC American Sedan class, or race it in vintage/nostalgic. Asking \$20,000, and you couldn't build this car for twice that price. Give me a call or text at (503) 522-2016 if you'd like to get into this fast and fun race car.

I'd also like to remind folks that most of the items from the trailer are still available for purchase, or for free (depending on the item). Contact Peggy Walker or myself to purchase/pick up these items.

Hope to see you all at the June general meeting, Wednesday June 17th, 6:30PM at Busters BBQ in Tigard.
